

McBee High School  
Learning Packet

Dates:	3/23/20 – 4/3/20
Thematic Topic:	The Presidents of the United States
Subject:	U.S. History/Government
Teacher Contact Info:	Chris Lloyd/Shane Mathis U.S. History
Essential Concepts:	The students will learn about current/historical events, geography, legislation, and important court decisions that took place during American History.
Materials Needed:	Paper/Pen/Pencil
Online Links:	Google and YouTube
Assignment Steps:	<p>On a sheet of paper, the students will write down each President in order. If the President served two terms, the students must list three important events that took place while that President was in office. If the President only served one term, the students must list two important events that took place while that President was in office.</p> <p>*William Henry Harrison and James Garfield died early into their terms. Please list them on your paper BUT you can exempt finding events that happened during their presidency.</p>
Note: Students currently taking online courses through APEX, VirtualSC and NETC should continue completing your assignments online as directed.
